### Label Profile:

Showing alternatives to nowadays' psy-trance scene, Suntrip focuses on melodic psychedelic music in all its forms. All original music ranging from melodic deep ambient to melodic Goa trance are welcome!

### History:

The label *Suntrip Records* was set up in the summer of 2004 by Fabien "Mars", one of the founders of the Psynews.org website and Joske "Anoebis", a Belgian DJ and Party-organiser. They've been sharing the same love for melodic psychedelic trance for years. They created Suntrip to release more melodic psy-trance like *in the good old times*, but with modern production.

The prodigious talent Filteria released 3 albums full of mind blowing tracks & uplifting psychedelic melodies. Khetzal, Frenchman known from numerous releases on labels as Ultimae gave us a great mixture of down and uptempo spiritual and floating Melodic Trance. With his *Fairytales* album, veteran Ka-Sol delivered a perfect mix between melodic, dark and twisted soundscapes ; described as "Forest Trance". Dimension 5's classic Transdimensional was remastered & re-issued, and it still blows dance floors! Melodic mastermind Goasia also released his debut album on Suntrip in 2007.

Compilations, *Apsara* and *Twist Dreams* gathered a mixture of famous melodic Goa Trance producers and new talents. We released *Opus Iridium*, a double CD celebrating our 10<sup>th</sup> release. It featured the most talented artists within the Goa and Ambient scenes.

RA's *9th* shook the dancefloors and home soundsystems with true storytelling Goa trance anno 2008. *Sundrops* compilation got also highly acclaimed.

2009 saw already Merr0w's debut album, showcasing massive drives and psychedelica together with a mix of subtle melodies and bouncing rhythmic, and the acclaimed 3<sup>rd</sup> album of Filteria, with a new definition of Goatrance!

Last but not least Afgin did a great job with his debut album. Classical Goa trance with long breaks and lots of sensitive moments. Pure sunrise music!

### Album Profile:

Suntrip will surprise you again with the best melodic Goa trance anno 2009! This time we are proud to present the first full Goa-trance album from Radical Distortion called "Psychedelic Dreams"! Pure powerful melodic bliss!

Radical Distortion are two Greek guys who are active for over four years. And they already have a strong background: Lately they became really popular and were released on almost every possible melodic Goa-trance compilation! And before that they had released the albums "Purple Energy" and "Regenesi" on Unicorn music.

During their musical explorations, their style greatly evolved and can now be described as ultimate oldschool Goa trance with crazy 303 organic acid soundscapes, ecstatic sound effects, energetic analogue pumping basslines and real psychedelic melodies!

Radical Distortion's third full length album is called "Psychedelic Dreams". Dreams that should bring us back to the golden times of psychedelic trance which offered us so much spirit and love. No wonder you'll recognize the influence of the best Goa trance artists from the 90's in the 10 tracks. This album is a tribute to them!

As usual, this album was mastered by Tim Schuld!

And although the summer is almost over now, this album is your chance to let the feeling of every summer festival enter your house again! Enjoy!

### **Press & marketing:**

**Suntrip Parties:** Several official Suntrip parties were organized last few years. Most of them in Belgium, but other countries are following lately, like Hungary. The parties involved virtually all artists from the label, like Filteria, Khetzal, Ka-Sol, Goasia, Merr0w, Afgin, Dimension 5, Ra, E-Mantra, ... But also non Suntrip artists were invited, like Jaia, Blue Planet Corporation, California Sunshine, Shidapu,... In 2009-2010 many more parties will happen; and in Belgium alone, Khetzal, Afgin, Filteria and Goasia are booked so far.

Many other bookings are set every week: Brazil (Universo Paralello), Greece, Israel, Sweden, Finland, Germany, Switzerland... Filteria alone is literally playing around the world and some of our other artists are starting to follow this example!

In the past the Suntrip Djs and groups have played on hundreds of parties and festivals, all over Europe including many famous ones like Full Moon, Aurora festival, Elixiria, Heron,...
