### Label Profile:

Showing alternatives to nowadays' psy-trance scene, Suntrip focuses on melodic psychedelic music in all its forms. All original music ranging from melodic deep ambient to melodic Goa trance are welcome!

### History:

The label *Suntrip Records* was set up in the summer of 2004 by Fabien "Mars", one of the founders of the Psynews.org website and Joske "Anoebis", a Belgian DJ and Party-organiser. They've been sharing the same love for melodic psychedelic trance for years. They created Suntrip to release more melodic psy-trance like *in the good old times*, but with modern production.

The prodigious talent Filteria released 3 albums full of mind blowing tracks & uplifting psychedelic melodies. Khetzal, Frenchman known from numerous releases on labels as Ultimae gave us a great mixture of down and uptempo spiritual and floating Melodic Trance. With his *Fairytale* album, veteran Ka-Sol delivered a perfect mix between melodic, dark and twisted soundscapes ; described as "Forest Trance". Dimension 5's classic Transdimensional was remastered & re-issued, and it still blows dance floors! Melodic mastermind Goasia also released his debut album on Suntrip in 2007.

Compilations, *Apsara* and *Twist Dreams* gathered a mixture of famous melodic Goa Trance producers and new talents. We released *Opus Iridium*, a double CD celebrating our 10<sup>th</sup> release. It featured the most talented artists within the Goa and Ambient scenes.

RA's *9th* shook the dancefloors and home soundsystems with true storytelling Goa trance anno 2008. *Sundrops* compilation got also highly acclaimed.

2009 saw already Merr0w's debut album, and the acclaimed 3<sup>rd</sup> album of Filteria, both showcasing massive drives and melodies! Then Afgin did a great job with his debut album filled with sensitive sunrise music!

And last but not least we just released the 3<sup>rd</sup> album of Radical Distortion. They show the perfect mix between modern analog productions and classic "old school" Goa melodies and sounds!

### Recent Releases:

*SUNCD11: V.A. – Sundrops (November 2008)*  
*SUNCD12: Merr0w – Born Underwater (March 2009)*  
*SUNCD14: Filteria – Daze of Our Lives (April 2009)*  
*SUNCD15: Afgin – Astral Experience (May 2009)*  
*SUNCD16: Radical Distortion – Psychedelic Dreams (Oct 2009)*

### Album Profile:

Suntrip is back with more GoaTrance craziness! We are proud to present the debut album from E-Mantra, called *Arcana*. This album is a concentrate of twisted, acidic, spiraling and psychedelic madness mixed with fantastic melodies!

E-Mantra, Emmanuel Carpus from Romania, proves that Goa-Trance opens new horizons even in 2009.

Starting with *Praying Forest*, E-Mantra gives the tone: morning melodies, mixed with intense acid-storms for a great night-feeling!

*Shamanistic Rituals* follows on these steps with a more tribal ambience including spacey fx and galactic loops punctuated by timeless breaks...

With *Last encounter* and *War of the Hierophants*, we are facing no-compromise acidic Etnicaesque tracks full of transcendent, entangled patterns. Hold your breath!

*Approaching Nibiru* is clearly more morning influenced and encompasses ethereal blissful melodies combined with a powerful drive. Following closely, *Dansul lelelor* is a totally exhilarating track: a delicate blooming with a shot of adrenalin!

Opus Iridium already showed Emanuel's talent for ambient. We're fulfilled here again with two beautiful downtempo tracks: *Ninive under the Stars* is a heartbreaking ode to the firmament with unique textures. Lastly, *Beyond the Boreas* unfolds its fractalized landscape in front of you.

*Arcana* is more than just a GoaTrance album; it's an initiatory passage to the fabrics of psychedelic music!

Like usual this album is crystal-clear mastered by Tim Schuld!

Opus Iridium already showed Emanuel's talent for ambient. We're fulfilled here again with two beautiful downtempo tracks: *Ninive under the Stars* is a heartbreaking ode to the firmament with unique textures. Lastly, *Beyond the Boreas* unfolds its fractalized landscape in front of you.

*Arcana* is more than just a GoaTrance album; it's an initiatory passage to the fabrics of psychedelic music!

### **Press & marketing:**

**Suntrip Parties:** Several official Suntrip parties were organized last few years. Most of them in Belgium, but other countries are following lately, like Hungary. The parties involved virtually all artists from the label, like Filteria, Khetzal, Ka-Sol, Goasia, Merr0w, Afgin, Dimension 5, Ra, E-Mantra, ... But also non Suntrip artists were invited, like Jaia, Blue Planet Corporation, California Sunshine, Shidapu,... In 2009-2010 many more parties will happen; and in Belgium alone, Khetzal, Afgin, Filteria and Goasia are booked so far.

Many other bookings are set every week: Brazil (Universo Paralello), Greece, Israel, Sweden, Finland, Germany, Switzerland... Filteria alone is literally playing around the world and some of our other artists are starting to follow this example!

In the past the Suntrip Djs and groups have played on hundreds of parties and festivals, all over Europe including many famous ones like Full Moon, Aurora festival, Elixiria, Heron,...

#### Magazines:

- In November 2008 the Greek Magazine "Freeze" made a special about Suntrip Records. The issue included a free mix-cd by Anoebis, plus 7 pages of info about Suntrip Records and their artists.
- In October, Freeze had already performed an interview of Filteria.
- Several Israeli Magazines interviewed us or our artists, and reviewed our releases. MNews in Israël featured a complete goatrance revival article with Suntrip as an example.
- In Sweden Filteria had an interview on the Zero Music Magazine, summer 2008 edition.

**Radio:** In April 2008, Pathan's musical Rickshaw on the BBC Radio, selected *Solar Fields - Confusion Illusion Rmx* from our compilation *Opus Iridium* as best *Sunset soundtrack*. In June 2008, D-Trance radio station from Serbia made a special about Suntrip Records and RA.

We were also featured on various radio shows in Belgium (Gent) and France (Lille) in the past years, and a Canadian radio is also finishing radio show about our label.

**DVD:** Filteria of Suntrip Records was featured on the Full Moon DVD release! There was an interview with him and an exclusive unreleased track.

**TV:** In Israel Afgin worked together with a group of people that made a documentary of 10 minutes about the old school goa resurrection in Israël. This was broadcast on national television. In 2009 national Belgian television also broadcasted a press conference of a festival (called Eargasm) where Afgin presented his debut album
