### Label Profile:

Showing alternatives to nowadays' psy-trance scene, Suntrip focuses on melodic psychedelic music in all its forms. All original music ranging from melodic deep ambient to melodic goa trance are welcome!

### History:

The label *Suntrip Records* was set up in the summer of 2004 by Fabien "Mars", one of the founders of the Psynews.org website and Joske "Anoebis", a Belgian DJ and Party-organiser. They've been sharing the same love for melodic psychedelic trance for years. They created Suntrip to release more melodic psy-trance like *in the good old times*, but with modern production.

The prodigious talent Filteria released 3 albums full of mind blowing tracks & uplifting psychedelic melodies. Khetzal, Frenchman known from numerous releases on labels as Ultimae gave us a great mixture of down and uptempo spiritual and floating Melodic Trance. With his *Fairytales* album, veteran Ka-Sol delivered a perfect mix between melodic, dark and twisted soundscapes ; described as "Forest Trance". Dimension 5's classic Transdimensional was remastered & re-issued, and it still blows dance floors! Melodic mastermind Goasia also released his debut album on Suntrip in 2007.

Compilations, *Apsara* and *Twist Dreams* gathered a mixture of famous melodic Goa Trance producers and new talents. We released *Opus Iridium*, a double CD celebrating our 10<sup>th</sup> release. It featured the most talented artists within the Goa and Ambient scenes.

RA's *9th* shook the dancefloors and home soundsystems with true storytelling Goa trance anno 2008. *Sundrops* compilation got also highly acclaimed.

2009 saw Merr0w's debut album, and the acclaimed 3<sup>rd</sup> album of Filteria, both showcasing massive drives and melodies! Also Afgin did a great job with his debut album filled with sensitive sunrise music! Then Radical Distortion showed the perfect mix between modern analog productions and classic "old school" goa melodies and sounds. Lastly, The debut album of E-Mantra drove us to a little more acidic, twisted and darkish atmospheres, without forgetting the melodies!

### Recent Releases:

SUNCD12: Merr0w – *Born Underwater* (March 2009)  
SUNCD14: Filteria – *Daze of Our Lives* (April 2009)  
SUNCD15: Afgin – *Astral Experience* (May 2009)  
SUNCD16: Radical Distortion – *Psychedelic Dreams* (October 2009)  
SUNCD17: E-Mantra – *Arcana* (November 2009)  
SUNDG01: Filteria – *Remixes + Unreleaseds* (Dec 09)

### Album Profile:

"*The Energy Wave is a disturbance, that propagates through space and time, usually with transference of positive energy!*"

And positive energy we bring! Suntrip starts 2010 with a compilation filled with 9 positive, dreamy, melodic sunrise tracks for magical dancefloor moments!

Like usual, our compilations are a mix between established and new talents!

As a *Suntripper*, you'll recognise Mindsphere for sure. He starts with a beautiful atmospheric downtempo track, followed by a morning masterpiece from the Brazilian talent Astrancer.

After that, E-Mantra's remix of Khetzal's classic "Indian Attic" gives more drive and power to the compilation. Now you're ready to discover new shapes and horizons, you'll enjoy 2 storming tracks by Suntrip-debuts Liquid Flow and French Somnesia vs PharaOm.

Then let's get back to dreamland again: Astrancer and Antares made beautiful ethereal tracks willed with positivism.

RA and Space Elves finish the compilation with very deep emotional-to-euphoric trancy music!

Be prepared for more energy: this compilation is actually the first episode of a dual release. The second part, called "*Temple of Chaos*" will spring up later this year and will concentrate on darker, more twisted and acidic Goa trance!

Like usual this album is crystal-clear mastered by Tim Schuldt!

**Press & marketing:**

**Suntrip Parties:** Several official Suntrip parties were organized last few years. Most of them in Belgium, but other countries are following lately, like Hungary and soon Finland. The parties involved virtually all artists from the label, like Filteria, Khetzal, Ka-Sol, Goasia, Merr0w, Afgin, Dimension 5, Ra, E-Mantra, Artifact303,... But also non Suntrip artists were invited, like Jaia, Blue Planet Corporation, California Sunshine, Shidapu,... In 2010 many more parties will happen; and in Belgium alone, E-Mantra, Merr0w and Somnesia are booked so far.

Many other bookings are set every week: Brazil (Universo Paralello), Greece, Israel, Sweden, Finland, Germany, Switzerland... Filteria alone is literally playing around the world and some of our other artists are starting to follow this example!

In the past the Suntrip Djs and groups have played on hundreds of parties and festivals, all over Europe including many famous ones like Full Moon, Aurora festival, Elixiria, Heron... and Filteria is going to play at the mythic Boom Festival this year!

### Magazines:

- In November 2008 the Greek Magazine "Freeze" made a special about Suntrip Records. The issue included a free mix-cd by Anoebis, plus 7 pages of info about Suntrip Records and their artists.
- In October, Freeze had already performed an interview of Filteria.
- Several Israeli Magazines interviewed us or our artists, and reviewed our releases. MNews in Israël featured a complete goatrance revival article with Suntrip as an example.
- In Sweden Filteria had an interview on the Zero Music Magazine, summer 2008 edition.

**Radio:** In April 2008, Pathan's musical Rickshaw on the BBC Radio, selected *Solar Fields - Confusion Illusion Rmx* from our compilation *Opus Iridium* as best *Sunset soundtrack*. In June 2008, D-Trance radio station from Serbia made a special about Suntrip Records and RA.

We were also featured on various radio shows in Belgium (Gent) and France (Lille) in the past years, and a Canadian radio is also finishing radio show about our label.

**DVD:** Filteria of Suntrip Records was featured on the Full Moon DVD release! There was an interview with him and an exclusive unreleased track.

**TV:** In Israel Afgin worked together with a group of people that made a documentary of 10 minutes about the old school goa resurrection in Israël. This was broadcast on national television. In 2009 national Belgian television also broadcasted a press conference of a festival (called Eargasm) where Afgin presented his debut album
