### Label Profile:

Showing alternatives to nowadays' psy-trance scene, Suntrip focuses on melodic psychedelic music in all its forms. All original music ranging from melodic deep ambient to melodic goa trance are welcome!

### History:

The label *Suntrip Records* was set up in the summer of 2004 by Fabien "Mars", one of the founders of the Psynews.org website and Joske "Anoebis", a Belgian DJ and Party-organiser. They've been sharing the same love for melodic psychedelic trance for years. They created Suntrip to release more melodic psy-trance like *in the good old times*, but with modern production.

Filteria is one of Suntrip's headliners. He released 4 albums full of mind blowing tracks & uplifting psychedelic melodies. In 2009 only, the mythic *Daze of Our Lives* and a digital Remix album saw the light.

Khetzal, Goasia, and RA provided us with what Suntrip is well known for: true storytelling Goa trance albums with down and uptempo spiritual and floating melodies. The darker side of Suntrip is embodied by Ka-Sol, as he has a perfect mix between melodic, dark and twisted soundscapes.

Dimension 5's classic *Transdimensional* was remastered & re-issued, and it still blows dance floors!

In 2009, Afgin and Merr0w both released their debuts. From sensitive sunrise music to massive drives and melodies, Suntrip attempts to shake dancefloors & soundsystems! *Radical Distortion* also showed the perfect mix between modern analog productions and classic "old school" Goa sounds. Last November, *E-Mantra's* album drove us to a little more acidic, and darkish atmospheres.

Suntrip released 6 compilations: *Apsara* and *Twist Dreams* gathered a famous melodic Goa Trance producers and new talents. *Opus Iridium* celebrated our 10th release, featuring the most talented artists within the Goa and Ambient scenes. *Sundrops* got also highly acclaimed.

2010 Started with a dual compilation: *Energy Waves* praised morning trance melodies whereas *Temple of Chaos* exploded acidic soundscapes!

### Recent Releases: )

*SUNCD16: Radical Distortion – Psychedelic Dreams (October 2009)*

*SUNCD17: E-Mantra – Arcana (Nov2009)*

*SUNCD19: VA – Temple of Chaos (May 2010)*

### Album Profile:

Vince le Barde, aka Electrynose, is probably best known as a top dark trance producer. But Suntrip wants to show, like others did before, that he is a super talented artist, who loves to explore other types of electronic music as well!

As a result we offer "Sweet Sadness", the second ambient album by Electrynose! The first one, "Subliminal Melancholies", was released in 2006 and got superb feedback.

This sequel gives us more sensitive soundscapes, piano-led melodies, sinister atmospheres and atypical rhythms!

"Sweet Sadness" is a vastly diverse album. Naturally some tracks are very chilled, almost rhythmless, while others give way to more traditional Ambient. Then Vince goes forth in his explorations to modern classical music and even electro-influenced downtempo!

What makes all these tracks so unique is Electrynose's ability to create music with a soul... Thanks to that, his music is perfect to lay down and dream away... Will you join us?

Enjoy the madness!

### **Press & marketing:**

**Suntrip Parties:** Several official Suntrip parties were organized last few years. Most of them in Belgium, but other countries are following lately, like Hungary and Finland. The parties involved virtually all artists from the label, like Filteria, Khetzal, Ka-Sol, Goasia, Merr0w, Afgin, Dimension 5, Ra, E-Mantra, Artifact303, Antaris,... But also non Suntrip artists were invited, like Jaia, Blue Planet Corporation, California Sunshine, Shidapu, NDMA, Moonweed,... In 2010 many more parties are happening!

Many bookings are set every week: Brazil (Universo Paralello), Greece, Israel, Sweden, Finland, Germany, Switzerland, Suisse, Portugal, Mexico,... Filteria alone is literally playing around the world and some of our other artists are starting to follow this example!

In the past the Suntrip Djs and groups have played on hundreds of parties and festivals, all over Europe including many famous ones like Full Moon, Aurora festival, Elixiria, Boom, Heron, Antaris, Spiritual Healing Festival, Earthdance,...

We were also featured on various radio shows in Belgium (Gent) and France (Lille) in the past years, and a Canadian made also a radio show about our label. In 2010 a live dj-set by Anoebis on the Once Upon A Festival was broadcasted on the Belgian radio Ugent

In 2010 a team is busy with making a documentary about Suntrip and Belgian Goa Trance in general.
