### Label Profile:

Showing alternatives to nowadays' psy-trance scene, Suntrip focuses on melodic psychedelic music in all its forms. All original music ranging from melodic goa trance to melodic deep ambient are welcome!

### History:

The label *Suntrip Records* was set up in the summer of 2004 by Fabien "Mars", one of the founders of the Psynews.org website and Joske "Anoebis", a Belgian DJ and Party-organiser. They've been sharing the same love for melodic psychedelic trance for years. They created Suntrip to release more melodic psy-trance like *in the good old times*, but with modern production.

Filteria is one of Suntrip's headliners with 4 albums full of mind blowing tracks & uplifting psychedelic melodies. In 2009 only, the mythic Daze of Our Lives and a digital Remix album saw the light.

RA, Khetzal and Goasia provide us with what Suntrip is well known for: true storytelling Goa trance albums with down and uptempo spiritual and floating melodies. Afgin and Merr0w and Radical Distortion deliver pure classical Goa sounds from sensitive sunrise music to massive drives and melodies! Dimension 5's classic Transdimensional was remastered & re-issued, and it still blows dance floors!

The darker side of Suntrip is embodied by Ka-Sol with a perfect mix between melodic, dark & twisted soundscapes. At the opposite, Electrynose, known worldwide, also joined Suntrip for an ambient album.

Suntrip released 6 compilations as well, featuring talented artists within the Goa and Ambient scenes as well as new talents. Praising morning trance melodies or acidic neuron smashers, each Suntrip compilation offers a unique thematic experience.

Recently, E-Mantra, Antares offered dawn-to-dusk acidic journeys, featuring mystical to intricate atmospheres. Artifact303 blew up the scene last spring with his outstanding "Back to Space" album. They are now booked in major parties and festivals, don't miss them!

### Recent Releases:

SUNCD19: VA – *Temple of Chaos* (May 2010)  
SUNCD20: *Electrynose – Sweet Sadness* (nov 2010)  
SUNCD21: *Antares - Exodus* (mar 2011)  
SUNCD22: *Artifact303 – Energy Waves* (may 2011)  
SUNCD23: *E-Mantra – Pathfinder* (nov 2011)

### Album Profile:

Shaltu, an ancient Amerindian word for the helping spirits of dancing shamans, brings us back to our Suntrip roots!

Deep trance & dance music for people that like warm, spiralling, full power melodic "old school" Goa Trance!

Like usual with our compilations Shaltu features a mix between known names and newcomers. The opener by veteran RA is pure deep, spiritual, Goa-Trance followed by two emotional morning-monsters filled with spirals and melodies by Crossing Mind and Nebula Meltdown!

They are followed by three in-your-face dancefloor tsunamis that will fit perfectly the climax of every wild party! Filteria's remix of Shakta's classic "Lepton Head" is simply stellar, while newcomers InnerSpace & Ephedra vs Imba show us that there is a new generation of crazy musicians!

The last part of Shaltu brings us back into deep, warm morning music... Music for epic sunrises! The debut of Shani Yantra, and the floating remix of RA's Time Current by E-Mantra give us a new definition of "Goa trance with modern production". The Macedonian Sirius ends this compilation with a very melodic masterpiece!

Rarely have we been so satisfied with the result of a compilation and we hope you'll share that feeling!

The Macedonian Sirius ends this compilation with a very melodic masterpiece!

Rarely have we been so satisfied with the result of a compilation and we hope you'll share that feeling!

Like usual this album is crystal-clear mastered by Tim Schuldt!

### **Press & marketing:**

**Suntrip Parties:** Dozens of official Suntrip parties were organized last 5 years. In the beginning mostly in Belgium, but later other countries followed such as Hungary, Finland, Ukraine and Croatia. Of course the parties involved virtually all artists from the label, like Filteria, Khetzal, Ka-Sol, Goasia, Merr0w, Afgin, Dimension 5, Ra, E-Mantra, Artifact303, Antaris,... But also many non Suntrip artists were invited, like Jaia, Blue Planet Corporation, California Sunshine, Mystica, Sandman, Shidapu, NDMA, Moonweed, Crossing Mind, ... In 2011-2012 many more parties will happen!

**Suntrip live acts & Dj's:** Many of our live-acts such as Filteria, Ra, Goasia, E-Mantra,... and dj's such as Anoebis and Ukiro are booked every week. They have played all over the world and drove the dancefloors crazy on many big festivals (such as Boom Festival in Portugal, Aurora festival in Greece, Universo Paralello in Brazil, Antaris in Germany, ...).

But also many smaller festivals and cosy parties invited Suntrip artists in countries such as

### Magazines:

- In Belgium an interview with Anoebis will be published in a magazine for young people during the first months of 2011
- Several Israeli Magazines interviewed us or our artists, and reviewed our releases. MNews in Israël featured a complete goatrance revival article with Suntrip as an example.
- In November 2008 the Greek Magazine "Freeze" made a special about Suntrip Records. The issue included a free mix-cd by Anoebis, plus 7 pages of info about Suntrip Records and their artists.
- In October 2008, Freeze had already performed an interview of Filteria.
- In Sweden Filteria had an interview on the Zero Music Magazine, summer 2008 edition.

### Radio:

- In December 2010 there was a Suntrip Records special on a Belgian radio focussing on electronic underground music. The program called "uur obscuur" broadcasted 2 hours of Suntrip music and a special interview. It was also placed on the internet afterwards.
- In April 2010 a live dj-set by Anoebis on the Once Upon A Festival was broadcasted on the Belgian radio Ugent
- In April 2008, Pathan's musical Rickshaw on the BBC Radio, selected *Solar Fields - Confusion Illusion Rmx* from our compilation *Opus Iridium* as best *Sunset soundtrack*.
- In June 2008, D-Trance radio station from Serbia made a special about Suntrip Records and RA.
- We were also featured on various radio shows in Belgium (Gent) and France (Lille) in the past years, and a Canadian made also a radio show about our label.

**DVD:** Filteria of Suntrip Records was featured on the Full Moon DVD release! There was an

interview with him and an exclusive unreleased track.

**TV:**

- In 2010 a team was busy with making a documentary about Suntrip and Belgian Goa Trance in general.
- In 2009 national Belgian television also broadcasted a press conference of a festival (called Eargasm) where Afgin presented his debut album.
- In Israel Afgin worked together with a group of people that made a documentary of 10 minutes about the old school goa resurrection in Israël. This was broadcast on national television.
