Label Profile:

Showing alternatives to nowadays' psy-trance scene, Suntrip focuses on melodic psychedelic music in all its forms. All original music ranging from melodic goa trance to melodic deep ambient are welcome!

History:

The label *Suntrip Records* was set up in the summer of 2004 by Fabien "Mars", one of the founders of the Psynews.org website and Joske "Anoebis", a Belgian DJ and Party-organiser. They created Suntrip to release more melodic psy-trance like *in the good old times*, but with modern production.

Filteria is one of Suntrip's headliners with 4 albums full of mind blowing tracks & uplifting psychedelic melodies. In 2009 only, the mythic *Daze of Our Lives* and a digital Remix album saw the light.

RA, Khetzal, Goasia and Artifact303 provide us with what Suntrip is well known for: true storytelling Goa trance albums with down and uptempo spiritual and floating melodies. Afgin, Antares and Merr0w and Radical Distortion deliver pure classical Goa sounds from sensitive sunrise music to massive drives and melodies!

Dimension 5's classic *Transdimensional* was remastered & re-issued, and it still blows dance floors!

The darker side of Suntrip is embodied by Ka-Sol with a perfect mix between melodic, dark & twisted soundscapes and E-Mantra, with more acidic goa-trance. At the opposite, Electrynose, also joined Suntrip for an ambient album.

Recently *Crossing Mind* and *Mindsphere* offered dawn-to-dusk acidic journeys, featuring mystical to intricate atmospheres! After that an unreleased album from the 90's made by goa-legend *Dimension 5* was Released in January! Full Power goa-trance to the bone!

After the highly acclaimed "Shaltu", "Blacklight Moments" is the latest of the 8 Suntrip compilations, featuring talents from the Goa and Ambient scenes. Praising morning trance melodies or acidic neuron smashers, each Suntrip compilation offers a unique thematic experience.

Recent Releases:

SUNCD24: VA – *Shaltu* (mar 2012)

SUNCD25: *Crossing Mind – The Inner Shift* (apr 2012)

SUNCD26: *Mindsphere – Patience For Heaven* (oct 2012)

SUNCD27: *Dimension 5 – TransAddendum* (jan 2013)

SUNCD28: VA – *Blacklight Moments* (may 2013)

Album Profile:

You like your modern goa-trance more subtle, atmospheric and complex? Well, search no longer, the debut *Nebula Meltdown*-album is exactly what you need!

Kristian Aro, a Finnish artist and dj who is active in the scene for over a decade already, is proud to present his debut album "Stardust Chronicles"!

His style is unique for a "modern goa" artist. His music is more psy-trance influenced, spaced out and subtle acidic instead of typical melodic and euphoric!

His album, which is great storytelling-wise, starts with 2 softer, 140 BPM acid 303 drenched tracks, followed by 2 more uptempo deep hypnotic tracks. *Superluminal Connection* and the album-name track are pure dancefloor stormers followed by 2 beautiful hypnotic trance tracks! *Mindstream Continuum* you will recognise from *Shaltu*, while *Alnitak Sunrise* is pure morning bliss! To end the album we get a deep, warm beatless ambient-experience!

So fasten your seatbelts, and get ready for *Stardust Chronicles*!

Superluminal Connection and the album-name track are pure dancefloor stormers followed by 2 beautiful hypnotic trancy tracks! Mindstream Continuum you will recognise from Shaltu, while Alnitak Sunrise is pure morning bliss! To end the album we get a deep, warm beatless ambient-experience!

So fasten your seatbelts, and get ready for Stardust Chronicles!

Like usual this album is crystal-clear mastered by Tim Schuld!

Press & marketing:

Suntrip Parties: Dozens of Suntrip parties were organized last 9 years. In the beginning mostly in Belgium, but later other countries followed such as Germany, Brasil, Hungary, Finland, Ukraine and Croatia. Of course the parties involved virtually all artists from the label, like Filteria, Khetzal, Ka-Sol, Goasia, Merr0w, Afgin, Dimension 5, Ra, E-Mantra, Artifact303, Antares,... But also many non Suntrip artists were invited, like Jaia, Blue Planet Corporation, California Sunshine, Mystica, Sandman, Shidapu, NDMA, Moonweed, Crossing Mind, ... In 2013 many more parties will happen, and in 2014 we are even planning a 10 years Suntrip tour around the world...

Suntrip live acts & Dj's: Many of our live-acts such as Filteria, Ra, Goasia, E-Mantra, Artifact303... and dj's such as Anoebis, Ine, YMD, Yani,... are booked every week. They have played all over the world and drove the dancefloors crazy on many big festivals (such as Boom Festival, Aurora festival, Universo Paralello, Antaris, Lost Theory, Ozora, Freedom,... But also many smaller festivals and cosy parties invited Suntrip artists in countries such as Israel, Japan, Sweden, Finland, Germany, Portugal, Switzerland, Mexico, Romania, Hungary, Ukraine, France, Holland, ...

Magazines:

- Mushroom Magazine features Suntrip in their international summer party edition in 2013
- Neogoa and a Polish site will publish new interviews with us and our artists in 2013
- In Brazil Ine made an article about the new rise of goa-trance and Suntrip in 2012
- In Belgium an interview with Anoebis will be published in a magazine for young people during the first months of 2011
- Several Israeli Magazines interviewed us or our artists, and reviewed our releases. MNews in Israël featured a complete goatrance revival article with Suntrip as an example.
- In November 2008 the Greek Magazine "Freeze" made a special about Suntrip Records. The issue included a free mix-cd by Anoebis, plus 7 pages of info about Suntrip Records and their artists.
- In October 2008, Freeze had already performed an interview of Filteria.
- In Sweden Filteria had an interview on the Zero Music Magazine, summer 2008 edition.

Radio:

- In 2013 Suntrip will be featured a whole year (!!) in a special edition of the American Digitally Imported Channel! They will publish a set or a dj-set of our artists/djs once every month!
- In 2013 Danish Afterhours.FM will make a Goa-special, with Suntrip dj set as well.
- In April 2012 and December 2010 there was a Suntrip Records special on a Belgian radio focussing on electronic underground music. The program called "uur obscuur" broadcasted 2 hours of Suntrip music and a special interview. It was also placed on the internet afterwards.
- In April 2010 a live dj-set by Anoebis on the Once Upon A Festival was broadcasted on the Belgian radio Ugent
- In April 2008, Pathan's musical Rickshaw on the BBC Radio, selected *Solar Fields - Confusion Illusion Rmx* from our compilation *Opus Iridium* as best *Sunset soundtrack*.
- In June 2008, D-Trance radio station from Serbia made a special about Suntrip Records and RA.
- We were also featured on various radio shows in Belgium (Gent) and France (Lille) in the past years, and a Canadian made also a radio show about our label.

DVD: Filteria of Suntrip Records was featured on the Full Moon DVD release! There was an interview with him and an exclusive unreleased track.

TV:

- In 2010 a team was busy with making a documentary about Suntrip and Belgian Goa Trance.
- In 2009 national Belgian television also broadcasted a press conference of a festival (called Eargasm) where Afgin presented his debut album.
- In Israel Afgin worked together with a group of people that made a documentary of 10 minutes about the old school goa resurrection in Israël. This was broadcast on national television.
