### Label Profile:

Showing alternatives to nowadays' psy-trance scene, Suntrip focuses on melodic psychedelic music in all its forms. All original music ranging from melodic goa trance to melodic deep ambient are welcome!

### History:

The label *Suntrip Records* was set up in the summer of 2004 by Fabien "Mars", one of the founders of the Psynews.org website and Joske "Anoebis", a Belgian DJ and Party-organiser. They created Suntrip to release more melodic psy-trance like *in the good old times*, but with modern production.

Filteria/K.O.B. is one of Suntrip's headliners with 6 albums full of mind blowing tracks & uplifting psychedelic melodies. Also E-Mantra released 3 full power psychedelic stormers on Suntrip already.

Ra, Khetzal, Goasia (with two albums), Afgin, Antares, Merr0w, Radical Distortion, Artifact303, Cosmic Dimension & Celestial Intelligence provide us with what Suntrip is well known for: true storytelling Goa trance albums with down and uptempo spiritual floating sunrise music to massive dancefloor material filled with acid sounds and beautiful harmonies! There were also some re-releases. In 2007 Dimension 5's classic – Transdimensional, and in 2014 Shakta's best of rare & unreleased compilation called *Retroscap*! Old is Gold, as they still blow dance floors!

The darker side of Suntrip is embodied by Ka-Sol & Morphic Resonance with a perfect mix between melodic, dark & twisted goa-trance. At the opposite, Electrynose also joined Suntrip for an ambient album.

In 2017 Suntrip released Inti, its 10<sup>th</sup> compilation and Filteria's side project K.O.B. album before teaming up with the legendary Trust In Trance Records to release an Astral Projection EP!

Praising morning trance melodies or acidic neuron smashers, each Suntrip release offers a unique thematic experience!

### Recent Releases:

*SUNCD47 Ray Castle – Mystique Of The Metaverse*  
*SUNCD48 Triquetra – Ecstatic Planet*  
*SUNCD49 Morphic Resonance – Perplexity*  
*SUNCD51 E-Mantra – Stapanii Timpului*

### Album Profile:

Denshi Danshi are back! After the retrospective "Fluid Dynamics" album which contained 90's tracks and a couple of new productions, they are proud to present "Brain Chemistry": an album completely made in the past two years and packed with 80 minutes of pure energetic dancefloor material!

Compared to what's following, "Parallel Universe" starts as a 145bpm ballad alternating strings and acid lines. Then you'll be bewitched by the catchy melodies of "Starjna" before getting to the main course and a slightly reworked version of the highly psychedelic tempo-bewildering dancefloor hit "Leave The World Behind"!

Now you can breathe with "Alpha Omega" a morning track that will make you raise your arms in the air! Following up is "Blink Of An Eye", one of the most crazy tracks ever made by Denshi, full of twists and turns. Then "Brain Chemistry" shows perfectly how Denshi Danshi can please any crowd: a mix of goa and modern elements!

They're not done with you: "Sukha" sounds definitely like a testimony of Denshi Danshi's 90's sound with plenty of gimmicks and surprising melodies!

If you want to see the perfect example of a successful blend of oldschool and modern sounds aimed at the most explosive dancefloor experience, then "Lemmon 714" is for you!

Finally, "The Upside Down" lets you land softly in a downtempo atmosphere...

From underground parties in Israel to big festivals in Spain, the French duo makes a point of honour to blast any dancefloor they face. That's why they spent a considerable amount of time testing and refining the "Brain Chemistry" tracks in their studios (yeah they have two), and had the implacable Tim Schuldt to master them! Enjoy!

### **Press & marketing:**

**Suntrip Parties:** Because Suntrip exists 10 years in 2014, we organised a world tour of Suntrip parties with mostly our artists. This tour was a big success. We did label parties in Japan, Germany, Israel, Spain, Croatia, Belgium, Norway, UK, Finland, Serbia and Brasil!

The years before we did a lot of other parties in the countries above as well. Our parties involved virtually all artists from the label, like Filteria, Khetzal, Ka-Sol, Goasia, Merr0w, Afgin, Dimension 5, Ra, E-Mantra, Artifact303, Antares,... But also many non Suntrip artists were invited, like Jaia, Blue Planet Corporation, California Sunshine, Mystica, Sandman, Shidapu, NDMA, Moonweed, Crossing Mind, ... It's clear goa-trance has a big revival.

**Suntrip live acts&Dj's:** Many of our live-acts such as Filteria, Ra, Goasia, E-Mantra, Artifact303... and dj's such as Anoebis, Ine, Lord Flames,... are booked every week. They have played all over the world and drove the dancefloors crazy on many big festivals (such as Boom Festival, Aurora festival, UniversoParalello, Antaris, Lost Theory, Ozora, Freedom,...) But also many smaller festivals and cosy

- Mushroom Magazine features Suntrip in their international summer party edition in 2013
- Neogoa and a Polish site will publish new interviews with us and our artists in 2013
- In Brazil Ine made an article about the new rise of goa-trance and Suntrip in 2012
- In Belgium an interview with Anoebis will be published in a magazine for young people during the first months of 2011
- Several Israeli Magazines interviewed us or our artists, and reviewed our releases. MNews in Israël featured a complete goa-trance revival article with Suntrip as an example.
- In November 2008 the Greek Magazine "Freeze" made a special about Suntrip Records. The issue included a free mix-cd by Anoebis, plus 7 pages of info about Suntrip Records and their artists.
- In October 2008, Freeze had already performed an interview of Filteria.
- In Sweden Filteria had an interview on the Zero Music Magazine, summer 2008 edition.

#### Radio:

- In 2013/14 Suntrip was featured in a monthly special edition of the US Digitally Imported Channel! They broadcast a set of our artists/djs every month and reached an average of over 2000 listeners!
- In 2013 Danish Afterhours.FM will make a Goa-special, with Suntrip dj set as well.
- In April 2012 and December 2010 there was a Suntrip Records special on a Belgian radio focussing on electronic underground music. The program called "uur obscuur" broadcasted 2 hours of Suntrip music and a special interview. It was also placed on the internet afterwards.
- In April 2010 a live dj-set by Anoebis on the Once Upon A Festival was broadcasted on the Belgian radio Ugent
- In April 2008, Pathan's musical Rickshaw on the BBC Radio, selected *Solar Fields - Confusion Illusion Rmx* from our compilation *Opus Iridium* as best *Sunset soundtrack*.
- In June 2008, D-Trance radio station from Serbia made a special about Suntrip Records and RA.
- We were also featured on various radio shows in Belgium (Gent) and France (Lille) in the past years, and a Canadian made also a radio show about our label.

**DVD:** Filteria of Suntrip Records was featured on the Full Moon DVD release! There was an interview with him and an exclusive unreleased track.

#### TV:

- In 2010 a team was busy with making a documentary about Suntrip and Belgian Goa Trance.
- In 2009 national Belgian television also broadcasted a press conference of a festival (called Eargasm) where Afgin presented his debut album.
- In Israel Afgin worked together with a group of people that made a documentary of 10 minutes about the old school goa resurrection in Israël. This was broadcast on national television.
